“He said, “To what shall we compare the kingdom of God...? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants and puts forth large branches, so that the birds of the sky can dwell in its shade.”” Mark 4:30-32

Stewardship teaches us that no matter how insignificant we may seem to ourselves, we can produce great things when we use the gifts that God has given us.

Thank you to all who helped with set up to take down and all in between to make the picnic a success. Thanks for all the help ordering supplies and coordinating deliveries. Thank you also to Sheila Harris who stepped up to chair this huge event. The picnic could not happen without the help of all our parishioners, friends and families.

The office will be closed the week of June 25. I will be on vacation. I will be back in the office on July 2.

KEYS: Please contact the office if you have keys to the building or to the ball field concession stand. It is required that I verify all keys on file. I appreciate your cooperation. Sue Portman 969-3291.

Preregistration is required. For more information or to register, email the Family Ministries Office at family@archlou.org or call 502-636-0296.

Hey St Luke folks... did you know your parish has a website and it's been up and running for 20 years? The site has had a recent facelift and many new things have been added. Content is constantly being updated and added. You can read the bulletin online and there will soon be an archival link for past bulletins. There's a great page for the kids, currently featuring copies of the kid's bulletin printout that you've seen recently in the weekly bulletin. There are plans to add further content aimed at your child's interest. This week there's an added page featuring our lending library, a hidden resource we have that is sorely underutilized. There's also a calendar that you can check to see what's happening daily at the parish. Check it out at www.stlukelouisville.org. Comments and suggestions are always welcome, email stlukelouisville@gmail.com. And by the way, this site is and has been hosted at no cost to the parish for all of those 20 plus years. Thanks, Your St Luke Tech team

You can do this at http://www.serraus.org/serraus/serra_connect.htm or you can contact Chuck Lynch of the Serra Club of Louisville at 502-442-9302 or ChuckLynch4782@gmail.com
